Additional Instructions

Step 4: Breakdown of units and sales amounts. Complete the boxes on units sold and sales amounts for the preceding year. The top row of boxes is the number of units sold in each category. The bottom row of boxes is the dollar amount sold in each category. The categories include:

- **Vessel and outboard motor inventory** – the sale of watercraft used or capable of being used for transportation on water that are not more than 65 feet in length (vessels) and the sale of self-contained internal combustion propulsion systems which are used to propel vessels and which are detachable as a unit from the vessel (outboard motors). The term “vessel” also includes a vehicle that is designed to carry watercraft and is either a “trailer” or “semitrailer” as defined by Transportation Code Section 501.002(23) and (29). The term “vessel” does not include watercraft of more than 65 feet in length; or a seaplane on water; or canoes, kayaks, punts, rowboats, rubber rafts, or other vessels under 14 feet in length when paddled, poled, oared, or windblown. This category does not include a fleet transaction, dealer sale, or subsequent sale, each of which is defined below. [See, Tax Code Sections 23.124(a)(8), (14), (15); and Parks and Wildlife Code, Section 31.003.]
- **Fleet transaction** – the sale of five or more vessels or outboard motors from a dealer’s vessel and outboard motor inventory to the same business entity within one calendar year. [Tax Code Section 23.124(a)(7).]
- **Dealer sale** – the sale from a dealer’s vessel and outboard motor inventory to another dealer, that is, a person who holds a dealer’s and manufacturer’s number issued by the Parks and Wildlife Department under the authority of Parks and Wildlife Code Section 31.041, or is authorized by law or interstate reciprocity agreement to purchase vessels or outboards motors in Texas without paying the sales tax. The term does not include the manufacturer of vessels or outboard motors. [See, Tax Code Section 23.124(a)(3).]
- **Subsequent sale** – a dealer-financed sale of a vessel or outboard motor that, at the time of the sale, has been the subject of a dealer-financed sale from the same dealer’s vessel and outboard motor inventory in the same calendar year. [Tax Code Section 23.124(a)(12).]
