 GOODS EXPORTED FROM TEXAS**

Property Tax - Form 50-113T

This document must be filed with the appraisal district office in the county in which your property is located. Do not file this document with the office of the Texas Comptroller of Public Accounts. Location and address information for the appraisal district office in your county may be found at www.window.state.tx.us/propertytax/directory/cad.

GENERAL INSTRUCTIONS: This application is for use in claiming property tax exemption for "freeport goods" pursuant to Texas Constitution, Article VIII, Section 1-j and Tax Code, Section 11.251. The amount of the exemption for this year is normally based on the percentage of your inventory made up by such goods last year.

The exemption applies to items in your inventory that (1) are or will be forwarded out of Texas within 175 days of the date you acquire them or bring them into Texas and (2) are in Texas for assembling, storing, manufacturing, repair, maintenance, processing, or fabricating purposes.

For aircraft parts, the governing body of a taxing unit may, by official action, extend the deadline by which Freeport goods must be transported outside of the state to no more than 730 days after acquiring or importing the property into the state.

The exemption does not apply to oil, natural gas, or liquid or gaseous materials that are immediate derivatives of refining of oil or natural gas as defined by Comptroller Rule 9.4201.

For purposes of this application, "inventory" means your inventory of finished goods, supplies, raw materials and work in progress.

WHERE TO FILE: This document, and all supporting documentation, must be filed with the appraisal district office in the county in which your property is located. Do not file this document with the office of the Texas Comptroller of Public Accounts. Location and address information for the appraisal district office in your county may be found at www.window.state.tx.us/propertytax/directory/cad.

APPLICATION DEADLINES: You must file the completed application with all required documentation beginning January 1 and no later than April 30 of the year for which you are requesting an exemption. You may file a late application up to midnight the day before the appraisal review board approves the appraisal records for the year for which you are requesting an exemption. Pursuant to Tax Code, Section 11.4391, if you do file a late application and your application is approved, you are liable to each taxing unit for a penalty equal to 10 percent of the difference between the amount of tax imposed by the taxing unit on the inventory or property, a portion of which consists of freeport goods, and the amount that would otherwise have been imposed.

ANNUAL APPLICATION REQUIRED: You must apply for this exemption each year you claim entitlement to the exemption.
